- ❖ CSS
- ❖ Javascript
- ❖ TailwindCSS
- ❖ Reactjs
- ❖ GIT

### EDUCATION

- ❖ MSc(computer science) | Princeton degree & pg college 2021-2023
- ❖ BSc(computer science) | Aurora degree college 2018-2021

### PROJECTS

- ❖ **Portfolio Website**  
A dynamic and visually engaging showcase of my skills and projects. This responsive website not only serves as a platform to present my portfolio but also demonstrates my proficiency in front-end web development - HTML, CSS, Javascript, Github Desktop.
- ❖ **Nike Landing Page**  
Designed a fully responsive e-commerce platform named "Nike" with a focus on user interface and experience and intuitive layout for browsing Nike shoes across various screen sizes and devices - Reactjs, TailwindCSS, Github Desktop.
- ❖ **Understanding In-App Ads and Detecting Hidden Attacks Through the Mobile App-Web Interface (academic project)**  
I developed the front-end component for the project. The project aimed to understand the dynamics of in-app advertisements and address security concerns related to the mobile app-web interface. My role primarily involved designing and implementing the user interface elements to ensure seamless interaction and effective display of information - HTML, CSS, Javascript, Java, JSP, MySQL.

### CERTIFICATIONS

- ❖ Certified for successfully completing the project titled 'Understanding In-App Ads and Detecting Hidden Attacks Through the Mobile App-Web Interface,' under the guidance of Manac Infotech.
- ❖ Participated in a workshop on 'Linear Circuit Design And Development' and got certified.
